INTRODUCTION

BBMi is a Serbian Marketing & Merchandising Agency launched in 2016 and aims at providing to the market all possible products, services and tools for the right promotion of a brand or a product.

BBMi is the first One Stop Shop for Marketing and Communication Directors or Manager who are looking for direct-printer relations, affordable, quality and fast solutions, with one single partner.

We have consolidate a network of 50 exclusive printers from the Balkans area, who are bringing all possible technologies and large capacities to meet our clients' needs and expectations.

BBMi has been set-up on a strong partnership with 2 large French Agencies addressing Students, Corporates and Sport Clubs. They bring us a large portfolio of foreign customers and also direct access to materials' provider all over the planet.

One of our goals is also to propose an increasing choice of 100% Serbia products.

ONLINE CATALOGUE

- You can have access to [this online catalogue 2018](#) from our main supplier to browse all available products to be branded. Just let us know the name or the code of the products of your choice.
- For the same products different printing technologies could be used as Gravure, UV, Tampon, 3D Stickers....
- If your cannot find an item please do contact us back as we have other secondary suppliers.

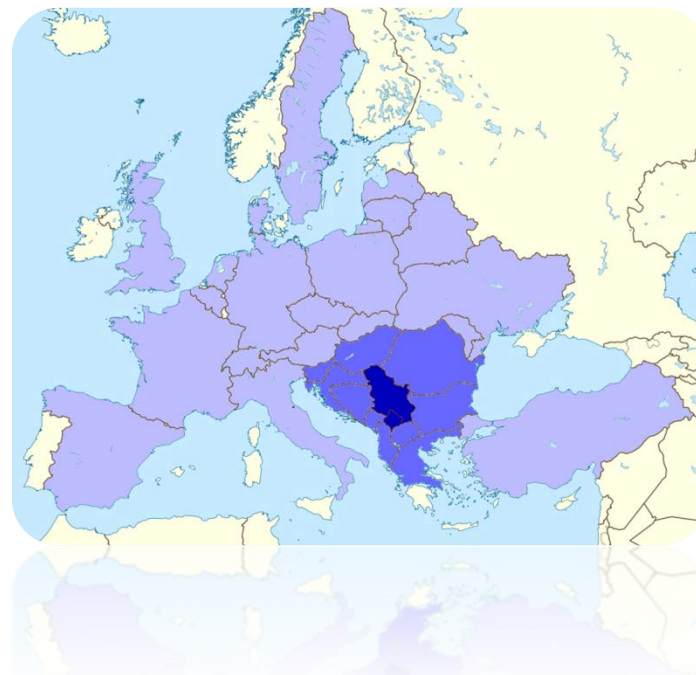

OUR DELIVERY & CUSTOMS SERVICES

We are offering delivery services to all countries in the World via our selected transporters and forwarders. In EU we have 3 main networks to send our printed goods to your place.

The main delivery options are the following:

- ✓ 24-48h with **Direct Dedicated Vehicle** FTL*
(max 25 t) to Neighbouring countries
- ✓ 2-5 days with **Direct Dedicated Vehicle** FTL*
(max 25 t) to all remaining EU countries
- ✓ 5-7 days with **Part loads shipments**
to all EU countries
- ✓ 7-11 days with **Groupage shipments**
to all EU countries

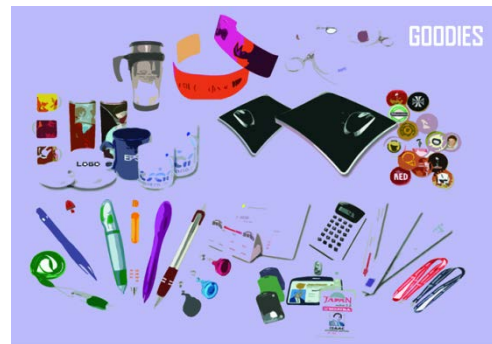

The papers are of EU origins and as there is a Free Trade Agreement between EU and Serbia, our printing services are exempted of Customs taxes, therefore our products are **EUR1**. Our team will handle all Import/Export procedures to simplify the delivery.
